## Guest Cottages

We have four newly-constructed guest cottages set among century-old oaks on our 14-acre campus.

**Bright Morning Star** and **Light Of The World** are log buildings. Both of them have three guest rooms with private baths. One of the smaller rooms has two twin beds, the other has a queen-sized bed and the large room has a queen and one twin. The large room in **Light Of The World** also has a handicap bath.

**True Vine** and **Faithful and True** are "single-room" cottages that each sleep four (queen-sized bed and two twin beds). Like the log buildings, the interiors are finished entirely in wood.

All of the cottages are decorated with quilts made in our studio.
