

At your last quilting retreat, did you ...

- Have your own sewing table set up on arrival, complete with tabletop OTT-LITE, adjustable-height task chair, drink holder/scrapcatcher and sewing caddy ?
- See four oversized standing ironing boards set up for you, and all you had to do was plug in the provided iron ?
- Enjoy working in good light at your choice of two elevated 72" cutting tables that each had a 24"x36" rotary cutter mat waiting for you ?
- Walk just a few feet from your sewing table and sit down to a delicious, freshly prepared meal, served on real china with cloth napkins and fresh flowers on the table ?
- Enjoy a pleasant walk on a 14-acre wooded campus and see butterflies in a colorful garden ?
- Wake up after a good night's sleep on a high-quality Sealy Posturepedic mattress in an uncluttered guest room, and smile at the fresh flowers on the bedside table?
- Find yourself awed by the beauty of a 300 year-old live oak tree ?
- Excitedly talk with your friends on the way home about when you could come back ?

If you didn't check ALL of the boxes above, then come away to Round Top and let us show you what the quilters who have already stayed with us know:
