

At your last scrapbook retreat, did you ...

- Have your own work table set up on arrival, complete with tabletop OTT-LITE, adjustable-height task chair and drink holder/scrapcatcher ?
- See 24 feet of additional table top space for stamps, punches, supplies ... plus a rolling shelving unit all for you to use ?
- Walk just a few feet from your work table and sit down to a delicious, freshly prepared meal, served on real china with cloth napkins and fresh flowers on the table ?
- Enjoy a pleasant walk on a 14-acre wooded campus and see butterflies in a colorful garden ?
- Wake up after a good night's sleep on a high-quality Sealy Posturepedic mattress in an uncluttered guest room, and smile at the fresh flowers on the bedside table?
- Find yourself awed by the beauty of a 300 year-old live oak tree ?
- Excitedly talk with your friends on the way home about when you could come back ?

If you didn't check ALL of the boxes above, then come away to Round Top and let us show you what the scrapbookers who have already stayed with us know:
